How To: Find Product Information
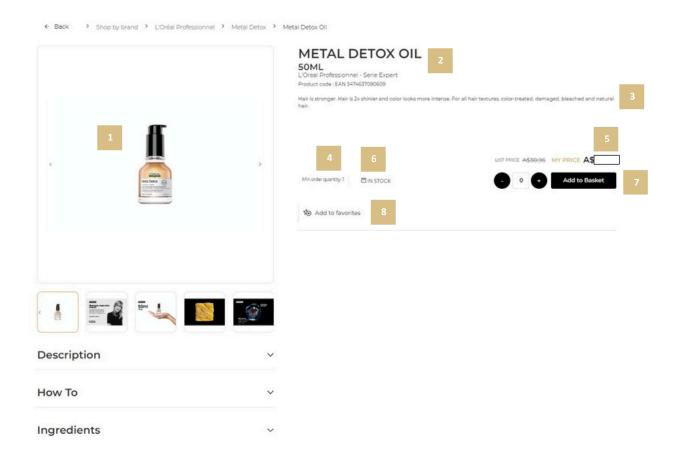

如何查找产品信息
## 01 — Product Landing Page
01 — 产品页面

Search for the product you wish to purchase using one of the methods outlined in the 'How to Find Products' user guide.

Once you have landed on the product page you will find all the information associated with the selected product. All pictures **(1)**, its name, brand, and product code **(2)**, a short description **(3)**, the minimum order quantity **(4)**, your salon specific price **(5)**, stock status **(6)** the option to add this product to your cart **(7)**, your favourite list **(8)**.

Below the first section of the product page, you can see a complete description of the product **(1)**, our recommendations on how to use the product **(2)**, and the ingredients in the product **(3)**.

On some products, you will also see a selection of associated products you may also like.

Description

[1]

Hair is stronger. Hair is 2x shinier and color looks more intense. For all hair textures, color-treated, damaged, bleached and natural hair.

How To

[2]

-Apply daily on dry or towel-dried hair. -Warm 1 or 2 pumps in the palm and spread evenly from mid-lengths to ends. -Do not rinse. -Proceed to blow-dry or air-dry.
